Guiding Our Journey

EXPLANATION OF FEES AND LEVIES

Star of the Sea School aims to provide a quality education to all students. For this to be achieved, fees and levies need to be charged.

For those families experiencing short or long-term genuine inability to pay fees, we are committed to providing support to ensure that enrolment is not compromised. Please refer to our concession policy for further information including the concession application process.

Fees and levies collected at Star of the Sea School are used for the following purposes which are aligned to the vision and mission of the school:

Tuition Fee	General tuition resources, administration, and operating costs.
Capital Levy	To cover repayments on buildings and maintenance.
Family and Community Engagement Levy	To support the work of parents and the community within the school.
Resources and IT Levy	This levy covers costs inclusive of: • Excursions and incursions (except camps) • Provision of access to electronic devices • Classroom resources and consumables • Booklists

Families with limited financial capacity may be eligible for concession. Families are encouraged to discuss the matter with the Principal.

The school is most appreciative of your support in ensuring that your school fees and levies are settled in a prompt and timely manner.
